

(Update) Aggressive Driving Campaign - May 14 to May 17, 2025

Written by Shawna Fowler | May 14, 2025 at 04:00:pm

AVOID AGGRESSIVE DRIVING

Update: May 21, 2025, at 11:50 a.m.

During our Aggressive Driving Campaign, members of the Saint John Police in partnership with members of the Department of Justice and Public Safety issued a total of 66 traffic violations under the New Brunswick *Motor Vehicle Act*.

The Saint John Police will continue to conduct regular, targeted traffic enforcement throughout the city with the goal of improving safety for all road users and educating motorists about traffic laws to reduce serious injury and fatal collisions.

In an effort to enhance road safety and reduce the incidence of aggressive driving in our community, the Saint John Police will once again be conducting an Aggressive Driving Campaign between May 14 - May 17, 2025. The goal is to

deter aggressive driving behaviours and hold accountable those who put others at risk.

Through education and enforcement, Traffic Management Officers will increase efforts targeting aggressive driving behaviours that endanger other persons or property such as speeding, tailgating, unsafe lane changes, disobeying traffic control devices, and driving without due care and attention.

Did you know that there are stiffer penalties for dangerous driving in New Brunswick:

- Speeding 50-80 km/h over the posted limit = \$500 fine, 5 demerit points, and vehicle impounded for 7 days
- Speeding 80 km/h or more over the posted limit = \$1000 fine, 6 demerit points, and vehicle impounded for 30 days

Remember to:

- Follow the speed limit
- Be patient and minimize lane changes
- Use turn signals
- Allow other drivers to merge or change lanes
- Avoid distractions when driving
- Maintain adequate following distance

- Slow down for construction zones and comply with the posted signs

Together a safe, secure, healthy community
