Chief Robert Bruce, on behalf of the Saint John Police, is pleased to announce 6-year-old Sophia Lord is the winner of the 2024 Chief for a Day contest.

Sophia enjoys helping others. Like any good police officer, she is dedicated to keeping things safe and orderly, whether it is helping her teacher clean up after things get messy, sharing toys with her cousin, or books with her brother.

“Sophia’s actions demonstrate the values that are required to be a model police officer. Her unique way of fostering joy and happiness for everyone around her serves as an outstanding example for all to follow.” Chief R.M. Bruce

The Saint John Police will be proud to serve under Chief Lord when she visits Peel Plaza for a day next month.

We would also like to thank all students who entered this year’s contest.
