The Saint John Police are proud to announce that our 2023 Holiday in a Box was another huge success!

On Friday, December 15, 2023, the Saint John Police turned over 575 boxes and 65 additional gift cards to our five priority neighbourhoods.

"Once again, the citizens of Saint John, members of the Saint John Police, sports teams, schools, individuals, and businesses stepped up to the challenge and with great generosity delivered for those vulnerable adults in Saint John who may very well have gone without something special over the holidays. On behalf of the Saint John Police, please accept our sincere appreciation and gratitude." Chief R.M. Bruce

Over the coming days, these boxes filled with necessities and gifts will be distributed to those less fortunate and vulnerable adults in our city.

Together a safe, secure, healthy community
