National Volunteer Week April 27 – May 3, 2025

Written by Matt Weir | April 25, 2025 at 12:15:pm

The Saint John Police proudly recognizes and celebrates the significant impact volunteers have on our community. We would like to thank those volunteers who contribute to serving the community through the Saint John Police:

- Our Victim Services team members provide 24/7 critical support for those impacted by traumatic events in their life. These dedicated and selfless individuals volunteer their time to be available at a moment's notice in times of crisis.

- Auxiliary Police Officers volunteer their time by providing operational support to our frontline members in patrol services and support us with various community events and initiatives.

- Our Peer Support team members volunteer their time to ensure that the mental health and wellness of our own officers and support staff are never forgotten. They constantly check in with our members and provide support, particularly after responding to traumatic events.

- Our friends at the Saint John Police Museum volunteer their time to honour and share the rich history of the Saint John Police Force as one of the oldest police forces in Canada.

And, of course, we recognize our current and retired members and staff that have volunteered countless hours of their own time to make Saint John a better place to live and play.

"Volunteers are the heart of a strong community. Their compassion, commitment, and willingness to step forward in times of need inspire all of us. Here in Saint John, we are fortunate to have individuals who give so selflessly to support others and make a meaningful difference. Their contributions do not just support our daily operations—they help shape a safer, healthy, secure community."
— Chief R.M. Bruce

Please join us in showing appreciation for the empathy, compassion and generosity of all volunteers who work to make our community stronger.

Together a safe, secure, healthy community.
