**Update: August 6, 2024, 8:30 a.m.**

The human remains discovered on Thursday, August 1, 2024, have been positively identified as those of Allan Lee, a 52-year-old resident of Saint John. Lee's body was found in a wooded area off King William Road in West Saint John.

**Extensive Search and Investigation**

On Friday, August 2, 2024, detectives conducted an exhaustive search of the wooded area where the body was located. The search involved multiple resources, including police canine units, grid searches, and aerial drone surveillance.

As a result of an autopsy performed on Saturday, August 3, 2024, detectives believe that Lee’s death occurred as a result of a homicide. Detectives continue to conduct searches, canvasses, and interviews. Evidence obtained in relation to the investigation is being examined by members of the Forensic Identification Unit.

**Appeal for Information**

The Major Crime Unit continues to investigate. Detectives are appealing for witnesses or anyone in the area of King William Road that has video footage or surveillance of the incident at the time it occurred.

Anyone with information related to this case is urged to contact the Saint John Police Force at 1-506-648-3333. For those who wish to remain anonymous, Crime Stoppers can be reached at 1-800-222-8477 or 1-800-222-T.I.P.S.
