

## O CANADA

O Canada!  
Our home and native land!  
True patriot love in all of us command.

With glowing hearts we see thee rise,  
The True North strong and free!

From far and wide,  
O Canada, we stand on guard for thee.

God keep our land glorious and free!  
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.
